

## LOUISIANA WILDLIFE FEDERATION

*“... conserving our natural resources and your right to enjoy them.”*

2015

Dear Prospective Affiliate:

Thank you for your interest in the Louisiana Wildlife Federation (LWF). Your organization's support and participation would be most welcome. There are currently 23 affiliates of the LWF ranging from hunting and fishing clubs to environmental and natural resources conservation groups, working as a coalition in *“conserving our natural resources and your right to enjoy them.”*

The organizational structure of LWF is based on its network of affiliates. The affiliates, through their representatives on the LWF's Board of Directors and delegates to the Annual Meeting, guide the development of the LWF's programs and its policies and positions on conservation matters.

Any Louisiana organization that has a primary interest in the conservation of renewable natural resources and the quality of the environment, and subscribes to the basic mission of the LWF “to restore, preserve, develop, and increase the birds, fish, game, forestry, wild flowers and all other wildlife resources of the state...” as stated in the LWF Charter, may apply for affiliation.

The reasons for affiliation include: to become more knowledgeable, effective and influential in conservation matters; to meet and interact with other conservationists from throughout the state to secure support for the affiliate's goals; to take advantage of the LWF's communication network to inform a larger audience of the work and interests of the affiliate and to recruit new affiliate members.

Please find attached an Affiliate Application/Renewal form, along with other helpful materials for becoming an LWF affiliate. You may also wish to visit our website at [www.lawildlifefed.org](http://www.lawildlifefed.org), or call the LWF office at (225) 344-6707, for more information.

Thanks again for your interest in joining with LWF!
